PROFESSIONAL EXPERIENCE

180 Degrees Consulting Minerva (NPO Consulting)

San Francisco, CA

Project Manager & Consultant

February 2025 - Present

- Led 3 consultants to implement a centralized data system that transformed intake data into consistent, reusable reports
- Built an SQL database for automated data cleaning, saving an estimated 15 hours/month across 4 report types
- Designed a real-time dashboard with backend API integration, enabling non-technical staff to filter intake data by demographics, location, date, benefit status, and aggregation level, cutting retrieval time by 75%

Autodesk (SaaS)

Denver, CO

Sales Operations Intern

May 2025 - August 2025

- Streamlined SFDC and Power BI reports, identifying ~\$3.9M in potential business, with ~\$2.1M in qualified pipeline
- Optimized, analyzed, and automated connected data in Airtable, saving 5 reps and 1 manager ~10 hours weekly
- Quoted high-volume, high-value Enterprise Accounts: \$84K in renewals and \$337K in new business opportunities

dotdotdot Design (Creative Agency)

Cambodia

Junior Account Manager

May 2023 - October 2023

- Developed the concept and brand strategy behind 'dotdotdot' to successfully support the agency's rebranding efforts
- Led the copywriting and structural design of the agency website, including 2 main pages and 16 sub-portfolio pages
- Managed marcom for 4 brands, ensuring high-impact deliveries in coordination with client, designer, and freelancer

Wildcats (B2B Marketplace)

Singapore

Product Marketing Intern

January 2023 - March 2023

- Initiated and built the first MVP (matchmaking database) utilizing Airtable with external integration with Zapier to be tested manually among the initial 300+ users, including executives, business owners, and organization leaders
- Designed a Human Bingo game for B2B workshops, facilitating collaboration between 130+ in-person attendees
- Worked across departments to gather and analyze data, enabling data-backed product decisions and efficient iteration

LEADERSHIP & ENTREPRENEURSHIP DEVELOPMENT

CamSEED (Recruitment Startup)

Cambodia

Business Development Lead & Co-founder

April 2021 - September 2022

- Recruited 59 students for successful 3 months paid internships with 37 partnered employers
- Secured pledges from 29 companies through a campaign, opening up a total of 204 paid internship opportunities
- Organized and facilitated a total of 4 upskilled workshops and an internship fair for a total of 101 participants
